I. Statement of Reasons for Allowance:

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 23, and 28, the prior art cited herein fails to disclose a method/system of ensuring compliance comprising a medication dispensing unit, a wireless transceiver operatively coupled to a controller of the medication dispensing unit, downloading a set of instructions of a medication routine for controlling the medication unit from a server to the controller of the medication dispensing unit through the wireless transceiver, and downloading a set of instructions of the medication routine that instructs the user about how to use the dispensed medication through the wireless transceiver to the user.

Regarding claim 24, the prior art cited herein fails to disclose a medication compliance system comprising a medication dispenser, a cellular controller coupled to the medication dispenser and adapted to dispense the medication under control of instructions downloaded from a medication server through a local cellular communication system, and an audio/visual interface adapted to instruct a user on the use of the dispensed medication in accordance with the instructions downloaded through the local cellular system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**II. Examiner's Amendment:**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CAR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Examiner's Amendment
